By entering a horse into the sale and/or registering as a bidder, you have agreed to abide by the terms and conditions set out in this document. All bids and offers to purchase shall be treated as offers made upon the following Conditions of Sale.

### **1. CONDITIONS OF ENTRY**

- 1.1 No horse will be accepted for entry in the sales or race series unless such horse has been foaled in Australia and properly registered with a relevant State Controlling Board or Authority.
- 1.2 APG has the absolute discretion to accept or refuse the entry of a yearling into APG sales based upon catalogue limits and the marketability of the entered yearling.

### **2. CONDUCT OF SALE**

- 2.1 APG may appoint a person or persons as auctioneers to carry on sales under these terms and conditions and that person or persons must carry out the functions set out in these terms and conditions and holds the authority which is contained in this document.
- 2.2 All auctions shall be conducted as Reserved Sales and will be subject to the following conditions:
  - (a) Subject to any reserve price, the highest bidder shall be the purchaser.
  - (b) Reserve cards are mandatory. The Vendor must advise the Auctioneer in writing of the reserve price for each Lot before the Lot is offered for Sale. Where no reserve card is provided the Vendor or his or her representative must attend the Auctioneer's rostrum to advise the Auctioneer and will be required to sign a reserve card before leaving the rostrum if the Lot is passed in. In the absence of a reserve card, a Vendor or a Vendor's representative in the Auctioneer's rostrum at the time that the Lot is offered for Sale, then the Lot shall be sold to the highest bidder and the Vendor shall pay the full commission and any other amounts payable.
  - (c) The vendor shall have the right to bid personally or through an agent during the sale of each respective lot. However, the vendor shall not enter a bid either personally, or through an agent/associate, at a price equal to or above the vendor's nominated reserve (unless the vendor is only a part-owner of the horse and is bidding with the sole intention of buying out the other owner/s).
  - (d) Subject to any statutory requirements, the auctioneer shall have the right to bid as agent of the vendor on any lot on which a reserve price has been placed up to, but not equal to or in excess of, that reserve price.
  - (e) The auctioneer may determine an upset price for each lot, and if no bid at or above the upset price is received within 30 seconds of the lot entering the sales ring, the auctioneer may pass in the lot.
  - (f) The option of the last bidder to buy a passed in lot at the reserve price must be exercised within 60 seconds of the horse having been passed in by proceeding directly to the back of the auction box and notifying the auctioneer's assistant; thereafter, the vendor will be at liberty to sell the passed-in lot to any purchaser in accordance with Section 5.
  - (g) If a bid is disputed, or there is any other problem in relation to the Sale, the auctioneer will be the sole arbiter of the dispute and may settle the dispute or problem on whatever terms the auctioneer sees fit. The auctioneer's decision shall be final and binding on all parties.
  - (h) A bid is not valid unless it is acknowledged by a bid spotter or the auctioneer. It is the responsibility of the bidder to ensure any bid is so acknowledged and the failure by a bid spotter or the auctioneer to acknowledge a bid does not, under any circumstances, constitute a dispute arising in respect of a sale.
  - (i) Any auctioneer's announcements on the day of the sale which are announcements from the auctioneer's stand will take precedence over:
    - i) These conditions of sale; or
    - ii) Any statements in the sale catalogue; or

- 3.3 In addition, each entry will be required to pay **\$150 (plus GST)** to cover the cost of stabling and other associated venue expenses.

- 4.1 **\$6,000** (This is the minimum opening bid that will be accepted by the Auctioneers)

### **5. COMMISSION – ALL ENTRIES – PACERS & TROTTERS**

- 5.1 The commission payable by the Vendor to the Auctioneer in respect of the sale price of each yearling sold will be 10% plus GST, whether by auction or privately sold within 14 days after the Sale is held or advertised to be held (subject to a minimum Commission payment of \$660 – 10% of the upset price + GST).
- 5.2 With respect to passed in lots:

- (f) If a Vendor receives an offer directly from a potential purchaser (i.e. the potential purchaser makes the offer directly to the vendor, instead of submitting the offer to APG), the Vendor shall immediately inform APG of their willingness to accept any such offer. The sale may only be finalized once the purchaser has been approved by APG.
- (g) If an offer is accepted, the purchaser shall also have the option of sustaining the lot for the APG Race Series, provided that the purchaser immediately notifies APG of their intention to sustain, and provided that the sale takes place within 14 days of the auction date when the lot was originally passed in.

The cost of this examination shall be paid by the prospective Purchaser, solely to whom the veterinarian should make his report. The Auctioneer or Vendor may refuse examination.

- 9.3 APG has the right to refuse entry to any yearling deemed to be inadequately prepared for sale.
- 9.4 The Directors of APG have the right to refuse entry to the Sale Ring any person parading a yearling who is deemed to be unprofessionally or inadequately attired. In such circumstance APG will provide a person to parade the yearling and pass the cost on to the Vendor.

## **10. APPLICATION FOR CREDIT TERMS/TRADING ACCOUNT**

- 10.1 Purchasers who require credit should make application to APG no later than seven (7) days before the Sale.

- 11.2 Until the Applicant receives such notice, any horses sold by APG to the Applicant will be based on payment on the day of sale.
- 11.3 The parties agree that, if prior to formally approving a Trading Account in writing, APG grants to the Applicant time to pay for any products and/or services supplied, it does so on these Terms.

## **12. PURCHASE AND PAYMENT**

- 12.1 On the fall of the hammer the Purchaser shall give his Bidder Registration Number, name and address and the name and address of the principal for whom he bids (if applicable) to the Auctioneer and shall immediately complete, sign and hand to the Auctioneer an acknowledgement of his purchase in such form as shall be required by the Auctioneer and provide to the Auctioneer any such other information in respect of the purchase as the Auctioneer may reasonably require.
- 12.2 The Purchaser shall sign on the fall of the hammer their intent to sustain the horse in the APG Race Series.
- 12.3 If the Purchaser fails to comply with the requirements of Condition 12.1, then the Auctioneer may elect to declare the Purchaser in default and cancel the Sale and re-sell the Lot. If, on resale of the Lot, a lower price is obtained, the difference in price plus any expenses of the resale shall be a debt owing by the Purchaser to the Vendor payable on demand, with interest to be applied at the rate of 15% per annum calculated daily in arrears from the date of resale until payment.
- 12.4 The full purchase price shall be due and payable to the Auctioneer in Australian currency within one hour of purchase or within such other period of time as the Auctioneer in its absolute discretion may agree in relation to a trading account, notwithstanding that delivery may not have been made.

- 12.7 The Purchaser shall pay the Auctioneer on demand all collection costs and expenses (including legal costs) incurred in recovering any payment from the Purchaser.
- 12.8 Where a Purchaser purchases two or more lots at the sale, the Auctioneer may, in the absence of written directions from the purchaser directing that any monies received for purchases at the sale be directed to a specific lot, allocate such payment as it sees fit and may allocate these monies in relation to the purchase price of any such lot or lots, in the Auctioneer's absolute discretion.
- 12.9 Where a Purchaser elects a Series Sustaining Payment on the day of sale and seeks a Credit arrangement with APG, any payment received subsequently from the Purchaser will firstly be directed to covering the Series Sustaining Payment before any amount is directed at what is owed for the purchase price. In this way, the eligibility of the Lot for the Race Series is established immediately.
- 12.10 APG shall retain title to any and all horses that are purchased pursuant to these Terms (and shall retain transfer papers) until such time as all moneys due and payable to APG pursuant to this agreement have been paid in full.

## **13. PAYMENT OBLIGATIONS WITH TRADING ACCOUNT**

- 13.1 In the event of APG granting a Trading Account to the Applicant then:
- 13.2 All accounts are to be settled in full within the agreed Terms & Conditions. Trading facilities may only continue if payment is maintained in accordance with those agreed Trading Terms.

- 13.5 If the Applicant fails to meet any payment obligations within the Terms & Conditions of Trade, and the Applicant fails to fully clear its account within a further 30 days, the Applicant consents to being placed on the Unpaid Forfeits List with the appropriate Harness Racing Authority.
- 13.6 Any reasonable expense and/or costs or disbursements incurred by APG in recovering any outstanding monies including debt Collection agency fees and legal costs shall be paid by the Applicant.
- 13.7 It is expressly understood and agreed that the Applicant's Trading Account may be terminated at any time by APG. In that event, all monies owing to APG will be immediately due and payable.
- 13.8 For any purchaser that defaults on their credit arrangements, APG reserves the right to take all or any action for enforcement thereof available to it, including those listed in Condition 11 as well as seeking to have the purchaser placed on the Unpaid Forfeits list with the appropriate Harness Racing Authority.

#### **14. DEFAULT BY PURCHASER**

- 14.1 In the event that the Purchaser breaches any of these conditions and fails to remedy such breach within reasonable time after receiving written notice from the Vendor or Auctioneer requiring such breach to be remedied, or all monies payable by the Purchaser to the Auctioneer pursuant to these Conditions shall not have been paid and liquidated by the due date for payment thereof, or where the Auctioneer has, in its discretion, agreed to an extension of the date for payment (in which event time shall be of the essence in respect of such extended date) and the same shall not have been paid and liquidated by such extended date, the Auctioneer or the Vendor may at any time without prejudice to any other rights or remedies which the Auctioneer or Vendor may have at law or in equity and without notice to the Purchaser:-

  - (c) resell the Lot by auction or private Sale at the risk and expense of the Purchaser and if upon such resale a lower price is obtained than that for which the original Purchaser had agreed to buy the Lot, the Auctioneer or Vendor may recover the difference from the original Purchaser as a debt due on demand together with interest from the date of Sale to the date of payment; and/or
  - (d) exercise such other rights and remedies as the Vendor or Auctioneer may have against the Purchaser in respect of the Purchaser's default including, without limitation, recovering from the Purchaser all costs and expenses incurred in repossessing or attempting to repossess the Lot together with interest thereon and recovering from the Purchaser any expense of Sale, re-Sale, livery, agistment and Auctioneer commission so incurred; and/or
  - (e) retain any deposit or part payment to the extent of twenty-five percent (25%) of the purchase price for the benefit of the Vendor.
- 14.2 Alternatively, the vendor, or if APG has already accounted to the vendor for the purchase price then APG, may elect to affirm the sale and sue the initial purchaser for the purchase price and interest and other moneys payable by the initial purchaser under the conditions of sale, or such part or parts of such moneys as may be outstanding at any time.
- 14.3 The Purchaser authorizes APG to disclose information relating to the Purchaser's creditworthiness or default in payment to a credit reporting agency if:
  - (a) the Purchaser is in arrears in making payments relating to credit provided; and
  - (b) Sixty (60) days have elapsed since the day on which payment was due and payable by the Purchaser; and
  - (c) the Auctioneer has sent written notice to the last known address of the Purchaser advising the Purchaser of the overdue payment and requesting payment of the outstanding amount.

- 15.1 APG reserves the right to vary any provision in the Terms and Conditions of Trade as APG deems necessary on reasonable notice in writing to the Applicant.
- 15.2 APG reserves the right to amend the Applicant's Trading Limit or Trading Terms as APG deems appropriate on the provision of written notice to the Applicant.

## **16. TRADING ACCOUNT SUSTAINING OBLIGATIONS**

- 16.1 The Applicant agrees that whilst any monies remain owing on their Trading Account, the Applicant shall keep all and any horses purchased on their trading account paid up for the APG Race Series and shall make all sustaining payments as they fall due.
- 16.2 If the Applicant fails to make the above sustaining payments as and when they fall due, APG shall have the right to sustain the horse(s) on the Applicant's behalf, and invoice the sustaining fee to the Applicant's account, along with a \$110 late payment charge.

## **17. DELIVERY**

- 17.1 The Auctioneer need not deliver any Lot to the Purchaser until:
  - (a) the Auctioneer shall have received from the Purchaser full payment of all monies payable by the Purchaser to the Auctioneer pursuant to these Conditions (including the purchase price for the Lot, unless the Auctioneer is satisfied that a prior credit or terms agreement in writing has been made with the Auctioneer or Vendor) or any other agreement, oral or written, entered into between the Auctioneer or Vendor and the Purchaser, and until all bills or exchange tendered in payment have been honoured;
  - (b) the Purchaser shall have completed signing and delivered to the Auctioneer a delivery slip in the form required by the Auctioneer;
  - (c) the Purchaser shall have complied with the satisfaction of the Auctioneer, with all his other obligations in respect of insurance of the Lot pursuant to Condition 14;
  - (d) where the Purchaser requires the Lot to be delivered to his agent, the Auctioneer has received a written direction from the Purchaser directing the Auctioneer to deliver the Lot to such Agent providing that nothing in this Condition shall oblige the Auctioneer to obtain such written authority from an Agent prior to delivering any Lot to such Agent; and
- 17.2 The Purchaser shall remove his Lot from the Sale venue within twenty-four (24) hours of the Purchaser receiving delivery of the Lot. The Purchaser shall ensure that the Auctioneer has checked and confirmed the identity of the Lot prior to its removal.

## **18. INSURANCE**

- 18.1 Where the Auctioneer agrees to deliver any Lot to the Purchaser prior to the Auctioneer receiving from the Purchaser the full purchase price for the Lot, or on the basis of any credit or terms agreement made between the Auctioneer and the Purchaser or the Vendor and the Purchaser whether before or after the Sale, the Purchaser shall effect and maintain until such time as the Auctioneer shall have received all monies payable in respect of the Lot or repayable by the Purchaser pursuant to any credit agreement entered into in respect of the purchase of the Lot, at the Purchaser's cost and expense, insurance satisfactory to the Auctioneer in respect of the damage, injury or death of the Lot from any cause whatsoever and shall ensure that the policy of insurance bears an endorsement as may, in the opinion of the Auctioneer, be necessary to transfer to the Auctioneer and/or the Vendor all the Purchaser's interest under such insurance absolutely.
- 18.2 In the event that the Purchaser fails to produce evidence to the Auctioneer within one hour of purchase that he has met his insurance obligations, the Purchaser authorizes the Auctioneer to enter into such a policy of insurance on the Purchaser's behalf and the Purchaser shall indemnify the Auctioneer in respect of and pay to the Auctioneer on demand all costs incurred by the Auctioneer in respect of the policy of insurance. Payment of Lots shall not be regarded as being made until such charges have been paid.
- 18.3 Nothing in this clause seeks to impose an obligation on the Auctioneer to obtain a policy of insurance on the vendor's behalf. Any decision to obtain such a policy of insurance will be at the discretion of the Auctioneer, and the Purchaser acknowledges that the Auctioneer has no liability whatsoever if the Auctioneer does not obtain a policy of insurance in respect to a particular Lot.

## **19. TITLE OF LOTS**

- 19.1 Notwithstanding any express or implied provisions hereof to the contrary and notwithstanding that delivery of any Lot may have been or possession obtained, title in a Lot shall not pass to the Purchaser until all monies payable by the Purchaser to the Auctioneer pursuant to these Conditions of Sale in respect of all Lots purchased by the Purchaser shall have been received by the Auctioneer and all bills of exchange tendered in payment of such monies have been honoured.
- 19.2 Where delivery of any Lot is made to the Purchaser prior to title in the Lot passing to the Purchaser pursuant to these Conditions of Sale, the Purchaser shall hold the Lot as bail only and shall not deal with the Lot in any manner inconsistent with the reasonable directions which may be given from time to time by the Vendor and/or the Auctioneer.
- 19.3 Until title of the horse has passed to the Purchaser, the Purchaser shall not exercise or purport to exercise any rights of ownership or possession including, without limitation, registering or racing the horse.
- 19.4 Purchasers are reminded of their obligations under Australian Harness Racing Rule 111 requiring them to lodge transfer forms with the relevant Racing Authority or Governing Body within 7 days of receiving such transfer forms from APG.

## **20. RIGHTS AND LIABILITIES OF AUCTIONEER**

- 20.1 The Auctioneer is selling any Lot at the Sale as agent for the Vendor whose name and address are disclosed in the Sales catalogue in respect of the Lot. Further, the particulars of the Vendor of any Lot shall be furnished by the Auctioneer immediately upon request. Except, as otherwise expressly provided to the contrary, the Auctioneer has no liability or rights as principal in the capacity of a Vendor.
- 20.2 In the event of any dispute including without limitation, as to defects in title, misdescription, pedigree, condition or otherwise, the Purchaser and the Vendor shall settle the matter between themselves, and the Purchaser shall have no rights against nor return any Lot to the Auctioneer which acts in respect of the Sale merely as agent for the disclosed Vendor.
- 20.3 Notwithstanding any representation or action by the Auctioneer which may indicate the contrary, the Auctioneer shall be under no liability to the Vendor in respect of the Purchaser's failure to complete his purchase in accordance with these Conditions of Sale.
- 20.4 If the Auctioneer accounts to the Vendor for the purchase price or the balance of the purchase price owed to the Vendor less any monies owed by the Vendor to the Auctioneer, before the purchase price and other amounts payable by the Purchaser have been paid, title to the Lot shall thereupon pass to the Auctioneer, and the Auctioneer shall have the right and remedies under these Conditions as if it were the Vendor.
- 20.5 The description of all Lots has been provided by the Vendors, and the Auctioneer shall not be liable or responsible for any error whatsoever in the description of the Lot.
- 20.6 The rights and remedies of the Auctioneer under these Conditions shall not be affected by reason of the selling commission and charges of the Auctioneer having been deducted by the Auctioneer from any payment made by the Auctioneer to the Vendor. As between the Purchaser and the Auctioneer, the Purchaser waives all rights of set off, if any, the Purchaser may have against the Vendors between the Purchaser and the Vendor.
- 20.7 The Auctioneer or its servants may sign the Sale Book or any Memorandum of Sale on behalf of either the Vendor or the Purchaser or both.
- 20.8 The Auctioneer reserves all rights to use or publish details of biddings, the identity of the Vendor and the Purchaser and all matters related to the sale of any Lot as it thinks fit.
